PROFESSIONAL EXPERIENCE

Content Moderator
Sep 2025 – Present

Tech Mahindra Philippines

- Review user-generated content for a major social media platform, applying platform policies and moderation guidelines consistently.
- Identify potentially policy-violating content in a US-focused moderation operation and take enforcement action in line with established procedures.

Email & Text FinTech Support
Nov 2023 – Mar 2025

ECE Philippines

- Resolved customer concerns by email and SMS for the Albert financial technology app.
- Reached 115% of target transactions per hour (TPH), with a 65% CSAT and a 78% average quality score.

Customer Service Representative
Aug 2023 – Oct 2023

Eperformax Philippines

- Resolved customer issues on inbound T-Mobile service calls, delivering a 95% CSAT and 50% NPS.
- Kept average resolution time below 20 minutes per call.

Quality Analyst
2 years

Wipro BPO Philippines

- Evaluated content moderation work against platform policies and quality standards, supporting accuracy and consistent decision-making across the team.
- Created a knowledge-base website consolidating policy updates, supporting consistent performance and a 100% site quality score.

Digital Content Specialist
Apr 2019 – Aug 2023

Wipro BPO Philippines

- Reviewed and analyzed digital content to identify unwanted and policy-violating material, enforcing platform guidelines.
- Initiated an automation project that increased productivity by 20%.

Customer Service Representative (Seasonal) Mar 2019 – Apr 2019
Harte Hanks Philippines

- Processed customer ticket orders for a WWE event campaign and handled eligible refund requests.

Customer Care Associate I Jul 2018 – Nov 2018
Conduent Philippines

- Troubleshot iPhone issues and guided customers through device questions and service steps.
- Named top agent for September, averaging 105% productivity, 98% quality and 90% CSAT.

Customer Service Representative Mar 2018 – Jun 2018
Teleperformance Philippines

- Resolved Xbox console inquiries, explained game downloads and system updates, and handled refund requests for accidental child purchases.

Customer Care Representative I Oct 2017 – Jan 2018
Startek Philippines

- Supported Xfinity customers with phone and device inquiries, internet troubleshooting and promotional gift check eligibility.

Technical Support Representative Jun 2017 – Sep 2017
Alorica – West Contact Services

- Troubleshot Comcast phone, internet and cable services and processed eligible refunds.

Customer Service Representative (Seasonal) Apr 2017 – May 2017
SPI-CRM

- Processed online flower orders for a Mother's Day campaign and handled applicable service-charge refunds.

AI DEVELOPMENT & PROJECTS

Self-directed AI application development and automation, including a dedicated career-development period (Mar – Sep 2025).

- **SQAC:** Portable, file-based memory layer for LLMs built on hyperdimensional computing (HDC/VSA) research, using binary hypervector addressing over plaintext fact, skill and document files. Open source at github.com/sensesVoid/sqac.
- **Pyralis:** Open-source sub-1B-parameter language model project, trained on Kaggle T4 GPUs and deployed in GGUF format.
- **Wizky CLI:** Offline-first local AI coding assistant written in Rust with llama.cpp FFI.
- **Agentic workflows:** Build and automate with AI agent harnesses and coding CLIs, including Hermes, OpenCode, Claude Code, Codex, Cline, Kilo, Freebuff and Antigravity.
- **Independent research:** Compact neuro-symbolic learning systems (unpublished).

EDUCATION

B.S. Criminology (undergraduate coursework) 2009 – 2013
Pamantasan ng Lungsod ng Muntinlupa

CERTIFICATIONS & ELIGIBILITY

- Data Analyst Associate Certification (SQL), DataCamp
- NC II Contact Center Servicing, Springboard Career Academy
- Career Service Professional Eligibility, Civil Service Commission
- Career Service Sub-Professional Eligibility, Civil Service Commission
